FACULTY NOTICES.

Sections in Modern Languages will not meet tomorrow.

The Gym will be vacated on June 1, and all men are requested to move their belongings before that date. Locker keys should also be returned before then.

Professor Talbot desires to meet all first year students who are taking, or are interested in, Courses V. and X., on Monday, May 15, at 1.05 P.M., in 6 Lowell, to explain the changes in these courses recently adopted by the Faculty.

CLUB ACTIVITIES.

The Missouri Club held its annual dinner at Tech Union last evening with most of the men present.

The Mining Engineering Society held a Smoker at Tech Union, Wednesday evening, which was well attended by Course III. men.

The Civil Engineering Society held a meeting Thursday afternoon. Mr. Desmond Fitzgerald, of the American Society of Civil Engineers, was the speaker.

NOTICES.

Exercises of the Institute will be suspended on May 30.

The management of the 1905 Tech Show would like to obtain posters of the "Minstrel Show" and "The Medicine Man." Anyone desiring to sell them should communicate with R. W. Parlin.

The Tech

Published every Monday, Wednesday and Friday during the college year (from September to June), by students of the Massachusetts Institute of Technology.

Entered as second-class matter October 6, 1904, at the post office at Boston, Mass., under the Act of Congress of March 3, 1879.

If you haven't a megaphone for tomorrow bring an extra big voice.

The inclusion of the second rendering of "Retrospection" among the songs for the Meet tomorrow, recalls the discussion of "Retrospection" a year ago upon this subject. If there is any one at Tech with a desire to sing the second version let him do so in seclusion, but not in the presence of men who love and respect the school which is fitting them for their life work, nor above all at a meet with another self-respecting college. The verse should never have been written, and the sooner it is forgotten the sooner can we stand with a clear conscience singing the true "Retrospection."

We make a specialty of Mail Order Business and give special attention to all prescriptions by mail.

Boston is like a wheel. The spokes all lead to the Hub, and nearly every street brings you to the congested centre, which is so near our store. Washington and Tremont Street here draw close together, and the population thickens to the square yard. If you are in the

State House, Parker's, Tremont Temple, Court House, Young's, Kings Chapel, City Hall, Tremont Bldg., Park St. Church, Subway, Tunnel, Park, Beacon, Court or School Streets,

or on your way to either the NORTH or SOUTH UNION STATION, you are very near to the most complete stock of Drugs and Pharmaceutical Supplies in Boston. A drug store for over half a century. The best place in the city to have Prescriptions accurately prepared from fresh, pure drugs of standard quality.

COOPER'S SPRING NEEDLE DERBY RIBBED UNDERWEAR

FOR MEN OF
REFINED TASTE

Is an underwear that appeals to men who wear good things. It is made of a fabric of remarkable elasticity, manufactured on the famous Spring-Needle Machine made by Charles Cooper and patented in nine countries.

The garments made from this fabric are of the finest yarns and their hygienic value is unsurpassed. They always retain their original shape even after the hardest wear. From first to last they maintain that same elegant, silky feel and easy comfortable and natural fit. They are made in two-piece and union suits, and in various sizes, weights and colors.

Be sure to ask your retail dealer for the genuine Cooper Spring-Needle Underwear. If he doesn't keep it refuse to purchase until you have seen our booklet "T" and samples of the Spring-Needle fabric. They are yours on request.

This trade mark is on every garment. Look for and insist upon it, or you will get one of the "other kinds" that is not "just as good."

TECHNIQUE, '07, ART COMPETITION.

The competition for the Art Staff of *Technique*, 1907, will close next Monday, May 15, at noon. All who intend to submit drawings must leave them at the Cage for the Art Competition Committee before that time. It is hoped that a large number of men will hand in drawings, so that a good Art Staff may be chosen and the work organized immediately. Arrangements will be made by which the regular Institute work of the Art Staff will be interrupted to a minimum extent.

INSTRUCTOR'S CLUB.

The meeting of the Instructor's Club, which was to be held Wednesday night, has been postponed indefinitely.
